1st verse:

BRÂ's the man, Timebomb's the band
We got the songs and the jam for your momÂ's and them
From the NYC all across to Japan, we got this hip-hop
steez in the palm of the hand
You see, the same things that bring the pain is what
made me the man that I am
And my claim to fame is I got the weight of the world
and I balanced it out
And became the boss of the club and the boss of the
bounce

Chorus:

So now, Timebomb, hit Â'em up, hit Â'em in the head
BR, hit Â'em up, hit Â'em in the head
Jab, cross, set Â'em up, kick Â'em in the head
Yeah, yeah, hit Â'em in the head
It goes down, and when I hit Â'em in the head, it goes
down

2nd verse:

I bench hundreds of pounds, squat thousands of
pounds
Then I spar eight rounds and kick you down to the
ground
I stand six feet, about 73 kilos,
Youse a weak ho, sucking on a frappuccino
Hijo, I be the C-E-O, T-I-M-E the B-O-M-B we be the real
Scream it out like Pacino, word to Janet and Tito, Oreo
to vitiligo
We no amigo, donÂ't make me pull the tostito

Chorus 2x

Timebomb, hit Â'em up, hit Â'em in the head
BR, hit Â'em up, hit Â'em in the head
Jab, cross, set Â'em up, kick Â'em in the head
Yeah, yeah, hit Â'em in the head
It goes down, and when I hit Â'em in the head, it goes
down

I rock it like a soldier, you best believe

It's always gonna be how it's supposed to be
So clap it on, we clap and on, we clap and on, we clap
and on, get your ass on the floor
Get down, people get down on the floor
Our sound can't stop 'til all of you know
Oh! Just who it is that we are
It's Timebomb clique and BR
We keep it movin', keep it jumpin', yes indeed, it
goin' down

Chorus 2x

Timebomb, hit 'em up, hit 'em in the head
BR, hit 'em up, hit 'em in the head
Jab, cross, set 'em up, kick 'em in the head
Yeah, yeah, hit 'em in the head
It goes down, and when I hit 'em in the head, it goes
down

If the fake shit is alright, then I'd rather be wrong
We don't need that weak shit, man we gotta be strong
2x

Chorus 2x

Timebomb, hit 'em up, hit 'em in the head
BR, hit 'em up, hit 'em in the head
Jab, cross, set 'em up, kick 'em in the head
Yeah, yeah, hit 'em in the head
It goes down, and when I hit 'em in the head, it goes
down
