Last night

Booming in ya trunk, it's booming in ya trunk  
This is the sound when it's booming in ya trunk  
Booming in ya trunk, it's booming in ya trunk  
That's the sound when it's booming in ya trunk

[Mikey Styles]

We at the b-boy party (mashed up, mashed up)  
Better grab ya honey, do the winey, winey  
Mist-a Mikey, feelin typsy  
Sipping on some cocoa, by cup rhyming(?)  
This shroty, whispered to my ear  
To break out to her crib  
So this is exactly what we did  
By the way her name is Precious  
She pushes a cherry Lexus  
Got crazy papers, 'cause at night she rumpshakas  
It's all good  
So I'm trying to knock the paisley  
They couldn't get no dick, y'all niggas are chocolate  
It's the return of the mack, me and my boys  
Over here, it's true to dat  
To all you playas hands up  
Player haters hands down  
Forever... trying... to think that you can hang now  
Yo, I'm a big boy see, you woman ask, 'who he?'  
I'm that rapping nigga with the fly bass  
That be kicking it in ya baby (baby) baby (baby)  
Is it real enough?  
Is it real enough?

[CHORUS: Mikey Styles]

I chill the back of the club  
Cheer with the love, love  
Sipping on Bud, puffing on buds  
I chill the back of the club  
Cheer with the love, love  
Sipping on Bud, puffing on buds  
I chill the back of the club  
Cheer with the love, love

Sipping on Bud, puffing on buds

[Mikey Styles]

Last night, casually dressed... to impress  
Looking for this princess  
So peep the words I manifest  
Bad boys on my block here smoke cease  
Chilling at the bar, spending lucci on Moet  
Chickenheads coming through to have some  
Better come through with your digits hon  
Your eyes on my shiny necklace, got you open  
Like a gold digger miss  
B-boys from my hood, we all ill  
B-boys from all hoods chill (chill, chill, chill)  
We all chill at the b-boy party (party)  
Chill, we all chill at the b-boy party (party)  
{line echoed in background til end}  
Player. Number 1. This is how we do  
Know what I'm saying?
