

## Boy "Railway"

Visit "[Railway](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Railway tracks

Mountain tops

Frozen fields

A church a dog

Icicles

On a fence

That reminds me

Of my heart

And you're in my head

Only in my head

Roadhouse

Parking lots

Factories

Stones and rocks

Metal sky

Crispy air

I'm halfway gone

I'm halfway there

Villages

I white disguise

Lakes as green

As your eyes  
Railway traces  
Mountain tops  
I'm breaking through  
These tunnel walls  
And you're in my head  
Only in my head  
I'm waving goodbye  
Only in my mind
