Yo son I own a gun  
And when you hear click click bitch  
that means run  
Cause semi automatic's what im all about  
And I shooh and I shoot untill my clip run  
out  
I'm like Clypse bitch im grindin  
And like a bright star i'm shining  
I'm like the energizer bunny keep goin and  
goin  
I'm like Eminem and 50 keep flowin and flowin  
You can bust me a beat any where on the street  
I start bustin out these rymes anyday anytime  
And when I ride I ride wit 6 in the chamber  
Reach into my pockets and I put your life in  
danger  
I got a gun so it's best not to tempt me  
Cause when im fusterate i shoot till my clip  
is empty  
I am a thug so dont say nothin  
I'll kill yu mutha fuca do you think I'm  
fuckin frontin
