Verse

I must say
Sometimes it's hard
To get through my days
Without you
The whole world seems to wither away

I must say
It's almost rough
To keep my head clear
Without you
My mind is blank and all has gone away

Chorus

Take your time
Look into your mind
There must be a place where your always fine,

Take your time
Look into your mind
All you have to do is to let it shine

Take your time
Look into your mind
You will find a place where your always fine

Verse 2

Some might say
That i'm the guy
Who's heart you had to break
People would start
Every time I unstruggle mine

You might say
That life is all
You ever had to pay
You rushed what we had
All you had to do was to take your time

Bridge

Come-on that way
Stand up and do what you like
You will see that it's right
To simply take your time
