Walking home tonight  
It's never taken so long  
I just walked out on a fight  
I forgot what was wrong

All alone tonight  
Looks like I'm on the run  
You're nowhere in sight  
I always lose what I love

And maybe I won't keep fighting constantly  
For inconsistency, I'm waiting  
Always trying, still resisting  
The one thing that I'm missing

I've got no home this time  
It's not what I know  
Nothing feels quite right  
All because I can't let go

And maybe I won't keep fighting constantly  
For inconsistency, I'm waiting  
Always trying, still resisting  
I close my eyes  
I'm holding on tight  
I won't let go  
To what I've known  
I know it's not right  
But it's what I know

Baby, I won't keep fighting constantly  
For inconsistency, I'm waiting  
Always trying, still resisting  
The one thing that I'm missing

Maybe I won't keep fighting constantly  
For inconsistency, I'm waiting  
Always trying, still resisting

Maybe I won't keep fighting constantly  
For inconsistency, I'm waiting  
Always trying, still resisting

The one thing that I'm missing
