IM STANDING HERE
HOLDING MY TEARS
BACK FROM YOU
AND ILL SEE U THERE
WHEN YOUR OUTSIDE IN THE COLD
THE ONLY MEMORIES I HAVE OF U ARE ONLY THE BAD
EVERYTHING ABOUT YOU.....MAKES ME SAD

even though u dont know how much i hate u
theres nothing i can even say or do
and even though we dont talk
i know well be apart
for i know that is what you want to
dont even think im going to stop u

Chorus 2x
and u will
that u and me wont
be together
you make me sad
but i know u feel the same

(im still writing the rest)))
