You're my love, You're my love and You know the way  
When it's best to run, when it's best to stay  
You're my love, You're my love, now my life is real  
You're my love, You're my love and You made it true  
To leave my past and to come to You

Jesus, come take my soul  
Fill me, Lord, make me whole  
I want You to be all  
To be all that I am  
Let my soul rest in You  
Hold me close, I love You  
Sing forever for You

All, all that I am  
And all that I do  
It's forever for You

All, all that I say  
And all of my days  
It's forever for You
