God, I want it to be
The way You want it to
Be there with me every day
You're the One I want
You're the One I want

God, sometimes I know I suck
But You are still my rock
I'll cling to You every day
You're the One I want
You're the One I want

You're the one, the one
I belong, belong to
You love me more than I ever could know
You are (clap, clap, clap)
So wonderful
I'm praising You, my God, 'cause You're the one and
only true and living God
My life is just all about You now
Can't believe You went all the way for me
You are (clap, clap, clap)
So wonderful
I'm praising You, my God, so everybody come on now

You're the One that I want
You're the One that I need
You're the One and the only
So everybody let this praise roll

Let this praise roll

God, You rock my world
I don't have to swirl
Around, I found the pearl
No one's better than You
Now I walk on seas
Your name scares enemies
You have all I need
No one's better than You
