i want to see you dead tonight
i want to see you bleeding for me

Hey everyone, I have just thought of a lovely new game, which will keep me amused through the months of no classes this summer. You may all play; here is what to do. I need a list of 20 to 25 items, names, phrases, times, places, feelings, etc...basically anything you wish. What I will do is make tapes from these lists, and it will be great fun and keep me very happy and I will even give you all the tapes at summer's end, or sooner.

Okay?? -Lo
