When I met the girl
I lost my mind
'Cause she is the only one that turns
My world upside down

When I met the girl
She stole my heart
Right from the start
I knew she saw right through me, already knew me,
makes me crazy, Oh Yeah!

(chorus)
Girl gives me feelings I never had before
Blushin' under cover, she's like no other
I never had a reason to love like this before
Girl gives me feelings, oh yeah!
'Cause I can't get her out of my mind
I can't get her out of my mind- at all

When I met the girl, she changed my world
She is the only one that turns my world upside down
At the end of the day
I call her name
Gives me this feeling when she call back, turns her
head, smiles at me, oh yeah!

(chorus)
Girl gives me feelings I never had before
Blushin' under cover, she's like no other
I never had a reason to love like this before
Girl gives me feelings, oh yeah!
'Cause I can't get her out of my mind
I can't get her out of my mind- at all

When I met the girl...

Ask me what I dream of
Ask me what I think of
When I'm not with you
Ask me what I dream of
Ask me what I think of
When I'm not with you

When I'm, not with you

When I met the girl

I lost my mind

'Cause she is the only one that turns my world upside

(chorus)

Girl gives me feelings I never had before

Blushin' under cover, she's like no other

I never had a reason to love like this before

Girl gives me feelings, oh yeah!

'Cause I can't get her out of my mind

I can't get out of my mind- at all

When I met the girl- I met the girl

When I met the girl- I met the girl
