Verse 1:

Everyday i walk the same path
I follow the same map
I breathe the same air
Wear the same clothes
Fight the same fights
I wish somehow i could change
Cause this pictures becoming faded
and i remember when i looked at you
You are what i hated
I hated you so much..
I hated every single touch..

Hook:

As i lay upon this 10 tiled floor
I realize im not ur doormat anymore
I can get back on my feet
Tie my shoes wont trip no more
I can see right through you
And you wont walk all over me

Verse 2:

This floor is so scuffed and marked up
I swear its getting mad at me
It knows what it feels like to be walked on
Just like you with me
I count the corners, count the cracks
Know that they will never mend
Won't return back to even being friends
One for anger, one for hate, one for reasons
i cant relate, 2 for all them worn out crys,
5 for i hope you fucking ... die..

Hook:

As i lay upon this 10 tiled floor
I realize im not ur doormat anymore
I can get back on my feet
Tie my shoes wont trip no more
I can see right through you
And you wont walk all over me
No you wont walk all over me anymore
Im not your floor
