Come with me to this strange place, where you'd like to  
live,  
where I reign.  
I will heal your soul, I will ease your pain, I will teach you  
hell  
cause hell is here.  
I'll care for you, you'll care for me, we'll care for none,  
we can't care for all, you'll be my queen, I'll be your  
king and slave,  
He who loves is lost.

If you're not worthy, you'll have to stay with me,

then you'll be my slave and you will know pain.  
You'll stay with me, in this dark place, where I'm used  
to live,  
where I'm dying.  
I'll slice your throat, I'll slaughter your soul, I'll tear your  
heart,  
I'll carve your hole, I'll drink your blood, I'll triumph  
alone.  
He who loves is lost.
