I can't forgive and I can't forget
It's never simple that way
Too proud to let you know
Oh, how I wish it was so
It frightens me to say

Why don't I let somebody new
Take me home
Lately I feel so alone
Somebody new would make it easier
For me to let you go, oh no

So be it, let it be so
It's better this way, baby
Well, you can take me down
What a way to go
Blow by blow

It's how it always happens
(Blow by blow)
In the throws of passion
Is it any wonder
(Blow by blow)
It's no wonder at all

Just to live a lifetime
(Blow by blow)
In the space of a lifetime
Well, it's the hardest thing to do
(Blow by blow)
But there'll be nothing after you

Blow by blow
Kill me slow
Blow by blow
What a way to go

Hey, hey, hey
Hey, hey, hey
You didn't mean those things you said
(Hey, hey, hey)
You didn't mean those things

(Hey, hey, hey)
