I can't forgive and I can't forget
It's never simple that way
Too proud to let you know
Oh, how I wish it was so
It frightens me to say

Why don't I let somebody new take me home?
Lately I feel so alone
Somebody new would make it easier
For me to let you go, oh no

So be it
Let it be so
It's better this way, baby
Well you can take me down
What a way to go
Blow by blow

It's how it always happens
In the throws of passion
Is it any wonder?
It's no wonder at all

Just to live a lifetime
In the space of a lifetime
Well, it's the hardest thing to do
But there'll be nothing after you

Blow by blow
Kill me slow
Blow by blow
What a way to go

Hey, hey, hey
Ooh, hey, hey, hey

You didn't mean those things you said
You didn't mean those things, hey, hey, hey
