It's the wrong time, and the wrong place  
Though your face is lovely, it's the wrong face  
It's not his face, but such a charming face  
That if some you're free

It's the wrong song, in the wrong style  
Though your smile is lovely, it's the wrong smile  
It's not his smile, but such a lovely smile  
That it's alright with me

There's someone I'm trying so hard to forget  
Don't you want to forget someone, too?

It's the wrong game, with the wrong chips  
Though your lips are tempting,  
they're the wrong lips  
They're not his lips, but they're such tempting lips  
That it's alright with me

Then it's alright, yes, it's alright with me...
