#### REMAIN THE SAME

Change my face.  
But it won't erase, I changed my heart.  
When my soul changed hands.  
What if, when I find myself?  
Made new plans.  
I don't really like myself?  
Underhand.  
What if when I look inside?  
Change my name.  
I don't like much what I find?  
But I remain the same.

Change my name I remain the same.  
Change my name I remain the same.  
Try again, another new beginning.

Change my course.  
But I can't change my ways **D I V O R C E**.  
Will you count the days.  
What if, when I find myself?  
Change my tune.  
I don't really like myself?  
But I stand on shifting stand.  
What if when I look inside?  
When I change my name.  
My name was changing hands.  
Baby you'll never understand.

Change my name I remain the same.  
Change my name I remain the same.  
Try again, another new beginning.

If I, if I could just.  
Slip from the net.  
Try to forget.  
I hang my head.  
In regret.  
If I, if, if I could just.  
But it's too much.

Slip from my skin.  
I try again.  
Another new beginning.

Change my name I remain the same.  
Change my name I remain the same.  
Try again, another new beginning.  
Change my name I remain the sameâ€¦  
I remain the same. I remain the same. I remain the  
same
