Change my face
But it won't erase
I changed my heart
When my soul changed hands
What if, when I find myself?
Made new plans.
I don't really like myself?
Underhand.
What if when I look inside?
Change my name.
I don't like much what I find?
But I remain the same.

Change my name I remain the same.
Change my name I remain the same.
Try again, another new beginning.

Change my course.
But I can't change my ways
D i v o r c e.
Will you count the days
What if, when I find myself?
Change my tune.
I don't really like myself?
But I stand on shifting stand.
What if when I look inside?
When I change my name.
My heart was changing hands.
Baby you'll never understand.

Change my name I remain the same.
Change my name I remain the same.
Try again, another new beginning.
if i, if I could just
Slip from the net
Try to forget
I hang my head
In regret
If i, if I could just
But it's too much
Slip from my skin
I try again

Another new beginning

Change my name I remain the same.
Change my name I remain the same.
Try again, another new beginning.

Change my name I remain the same.
Change my name I remain the same.
Try again, another new beginning.

Change my name I remain the same.
Change my name I remain the same.
Change my name I remain the same.
Change my name I remain the same.
Try again, another new beginning.

Change my name I remain the same.
Change my name I remain the same.
Change my name I remain the same.
I remain the same, I remain the same, I remain the same.
