Ooh ooh

Last year is old news

I'm breakin' out my six string

And playin' from my heart

Its not Deja vu

Cause its another summer

That's how this chapter starts

I'm gona run so fast till I can't breath

Come along and follow me

Let's make some noise we never did before

It's a brand new day

Don't you see me

Changing up my way

So completely

This time I'm una sing and you gonna hear it

This time I'm una to show you that I got the spirit

It's a brand new day

And I'm feelin' good

And I'm feelin' good

So drama free

(So drama free)

I'm all about the music

I just want to sing

Watch me

Live out my dreams

(Live out my dreams)

I wanna rock that stage

And give my everything

I'm gonna dance until my feet can't move

Come along get in the groove

Let's shine so bright more then we did before

It's a brand new day

Don't you see me

Changing up my way

So completely

This time I'm una sing and you gonna hear it

This time I'm una to show you that I got the spirit
It's a brand new day
And I'm feelin' good

(What you gonna do what you gonna do)
I'm outta life through the the summer with you
(Who you gonna be who you gonna be)
You'll just have to watch me, can't believe
(Where you gonna go where you gonna go)
Anywhere my heart wants me to go
I'm una sing
I'm una dance
I'm una ride
I'm una play
I'm una show my gift in everything

'Cause it's a brand new day
Don't you see me
Changing up my way
So completely
This time I'm una sing and you gonna hear it
This time I'm una to show you that I got the spirit
It's a brand new day

It's a brand new day
(It's a brand new day) (Dont you see me)
Changing up my way
(It's a brand new day)
So completely
This time I'm una sing and you gonna hear it
This time I'm una to show you that I got the spirit
It's a brand new day
It's a brand new day
It's a brand new day
And I'm feelin' good
Feelin' good
And i'm feelin' good
