Oooh

Here I am

Feels like the walls are closing in

Once again

It's time to face it and be strong

I wanna do the right thing now

I know it's up to me somehow

I've lost my way

If I could take it all back, I would now

I never meant to let you all down

And now I've got to try

To turn it all around

And figure out how to fix this

I know there's a way, so I promise

I'm gonna clean up the mess I made

Maybe it's not too late

So I'll take a stand

Even though it's complicated

If I can, I wanna change the way I've made it

I've gotta do the right thing now

I know it's up to me somehow

I'll find my way

If I could take it all back, I would now

I never meant to let you all down

And now I've got to try

To turn it all around

And figure out how to fix this

I know there's a way, so I promise

I'm gonna clean up the mess I made

Maybe it's not too late

Maybe it's not too late, oh

I'm gonna find the strength to be

The one that holds it all together

Show you that I'm sorry

But I know that we can make it better

If I could take it all back, I would now  
I never meant to let you all down  
And now I've got to try  
To turn it all around  
And figure out how to fix this  
I know there's a way, so I promise  
I'm gonna clean up the mess I made  
(Mess I made)  
Maybe it's not too late

I never meant to let you all down  
Now I've got to try  
To turn it all around  
And figure out how to fix this  
I know there's a way, so I promise  
(Promise)  
I'm gonna clean up the mess I made  
Maybe it's not too late  
Maybe it's not too late  
Ooooh, yeah
