Haven't been more alone  
I'm sinking like a stone  
seems everything i knew  
no longer gets me thru  
this madness can't take it now  
everything i plan  
does crumble into sand  
slipped into the sea  
would someone please save me  
from this pain  
cause i'm going insane

so take hold of me  
take hold of me  
yeah take hold of me  
and never let me go  
don't let me go

the people are leaned on  
one blink and they are gone  
so i turn to you  
to pour my lost soul  
out of this love  
dying for love

so take hold of me  
take hold of me  
yeah take hold of me  
and never let me go  
don't let me go

can you see me  
find me  
free me

just take hold of me  
yeah take hold of me  
ohh well take hold of me  
i've got nowhere left to go

take hold of me

oooh take hold of me  
yeah take hold of me  
and never let me go

i'll be alright  
i'll be alright  
i'll be alright
