I came to tell you
How we've all began
Nothing seems to work out right
I'm broken down again
So hold me now
And say it's not forever
Maybe someday
In time

Things will go my way
Things will go my way

I've pushed to get through
The crowds in twisted zone
Just to find I'm right back here
Doing what I'm told
So take my hand
Don't let me surrender
'Cuz maybe someday
Yeah, in time

Things will go my way
Things will go my way

For all the lives
I've tasted
Just looking for the truth
For all the dreams I'm chasing
What am I to do
With everything against me
The answers are all wrong
Open now, I'll find out
It was working all along

So hold me now
And say it's not forever
Maybe someday
In time

Things will go my way
Things will go my way
Things will go my way

For all the things
I've tasted
Just looking for the truth
For all the dreams I'm chasing
What am I to do
With everything against me
The answers are all wrong
Open now, I'll find out

Things will go my way
Things will go my way
