Well, I would like to think  
The world hasn't seen  
That all the best is still to come,  
And I know life ain't easy.

I pass them sleeping on the streets  
Their bloodstained hands and dirty feet  
And I can't ignore them  
Any more then I already have

*[Chorus:]*

So we laugh, and we smile  
and we play our games of sweet denial  
But don't tell me we're forgiven  
If we hold, all our breath  
If we kneel right down and just repent  
You can't tell me we're forgiven

Start with me  
I cannot lie  
When my heart doesn't follow my eyes  
Turn away from all the suffering  
That surrounds  
Our time on this earth  
For some their life has been a curse  
I say I'm sorry and I should change  
You know it just could be me someday

*[Chorus]*

There's no way out of here  
I don't want to die, and leave it all behind  
Each day part of me disappears  
But who am I to judge, what's been sent from above

*[Chorus]*

We can't laugh  
We can't smile  
When so much just ain't right  
It can't go on forever...  
If we hold, our breath

If we kneel down and repent  
You can't tell me we're forgiven, no,  
You can't tell me we're forgiven
