Did you ever feel how it is, when you are falling,
And it seems that you'll never come down.
Did you ever feel how it is, when you need someone,
But there's nobody around.
Did you ever feel how it is, when you know you're right,
But everybody say you're wrong.
Did you ever feel how it is, when you want to sing,
but you got no song.
Nobody knows the trouble I've seen,
Nobody knows but me,
Nobody knows the reasons I've got,
Nobody knows but me.
Do you feel alright! Do you feel alright!
Do you feel alright! Do you feel alright!
Did you ever feel how it is? - Did you ever feel how it is?
Did you ever feel how it is? - Did you ever feel how it is?
Did you ever feel how it is? - Did you ever feel how it is?
Did you ever feel how it is? - Did you ever feel how it is?

Did you ever feel how it is, when you're dead,
And it doesn't matter.
Did you ever feel how it is, when you wanna die,
And you damned to live forever.
Nobody knows the trouble I've seen,
Nobody knows but me,
Nobody knows the reasons I've got,
Nobody knows but me.
Do you feel alright! Do you feel alright!
Do you feel alright! Do you feel alright!â€¦

â€¦ and no one who cares
