In my dreams, so it seems, there is you, only you.
All the time, I finally find, you are always on my mind.
Every time, I have to go, I feel your tears - it hurts me
so.

My heart is aching, my head is tired, I can't do nothing
without you by my side.

'Cause I wanna hold you - from the end of the day
till the morning sun comes through.
Baby, I wanna hold you - we could take a little time
and together we could make it true.

Driving home, in my car, I think of you, so far away.
The day is done, I'm all alone, I'm feeling blue, I'm
missing you.
I'd like to call you on the phone, but I know you're not at
home.
I just want you, here to be, only your voice couldn't
satisfy me.

'Cause I wanna hold you - â€¦

'Cause I wanna hold you - â€¦
â€¦let us take a little time and together we
