Oh Danny boy, the pipes, the pipes are calling  
From glen to glen and down the mountain side  
The summer's gone and all the flowers falling  
'T's you, 't's you, must go and I must bide  
But come ye back when summer's in meadow  
Or when the valleys hushed and white with snow  
'Tis I'll be there in sunshine or in the shadow  
Oh Danny boy, oh Danny boy, I love you so  
And when you come and all the flowers are dying  
If I am dead, as dead I will may be  
You'll come and find the place where I am lying  
And 'neel and say an 'Ave' for me  
And I shall hear those soft you tread above me  
And all my grave will warm and sweeter be  
If you will built and tell me that you love me  
Then I shall sleep in peace until you come to me
