You change your mind,  
Like a girl changes clothes.  
Yeah you, Always stress  
Like a chick  
I would know.

And you  
Always think,  
Always speak,  
Cryptically yeah.

I should know  
That you're not good for me (Yeah-Hey Yeah Yeah)

Cause you're hot then you're cold,  
You're yes then you're no,  
You're in then you're out,  
You're up and you're down.

You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up

You!  
You don't really want to stay,no.  
(Oh Oh Oh)  
You!  
But you don't really want to go-oh.  
(Oh Oh Oh)

Cause you're hot then you're cold,  
You're yes then you're no,  
You're in and you're out,  
You're up and you're down.

We used to be  
Just like twins,  
So in sync.  
The same energy,  
Is now a dead battery.

Used to laugh  
'bout nothing.  
Now you're plain boring.

I should know  
that you're not gonna change.  
(no way-yeah-yeah)

Cause you're hot then you're cold,  
You're yes then you're no,  
You're in then you're out,  
You're up and you're down.

You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up

You!  
You don't really want to stay, no.  
(Oh Oh Oh)  
You!  
But you don't really want to go-oh.  
(Oh Oh Oh)

Cause you're hot then you're cold,  
You're yes then you're no,  
You're in and you're out,  
You're up and you're down.

Ohhh Yeaah yeah yeah  
Oh ohhhh ohh  
Yeaah yeah

Someone call the doctor,  
Got a case of a love bi-polar.  
Stuck on a roller coaster,  
Can't get off this ride.

You change your mind  
Like a girl changes clothes.

Cause you're hot then you're cold, (Ohh Ohh)  
You're yes then you're no, (Yes or No)  
You're in and you're out, (Ohhhh yeah)  
You're up and you're down.

You're wrong when it's right (wrong or right)  
It's black and it's white (black or white)  
We fight, we break up  
We kiss, we make up (Ohhh Yeah)

You!  
You don't really want to stay, no. (Nooo)  
(Oh Oh Oh)  
You!  
But you don't really want to go-oh (Ooooh)  
(Oh Oh Oh)

Cause you're hot then you're cold, (Ohhh)  
You're yes then you're no, (yes or no)  
You're in and you're out, (ohhhh)  
You're up and you're down

you're hot then you're cold, (ohh yes you are)  
You're yes then you're no, (Yeaah Yeaah)  
You're in and you're out,  
(Oohhh Ohhhh)  
You're up and you're down.

You're wrong when it's right (Yeeeeah)  
It's black and it's white  
We fight, we break up  
We kiss, we make up (Oohhhh-and then we make up)

You!  
You don't really want to stay, no. (Ohhhhhh)  
(Oh Oh Oh)  
You!  
But you don't really want to go-oh (Heeeyy)  
(Oh Oh Oh)

you're hot then you're cold, (Hot N' Cold)  
You're yes then you're no, (Yes Or No)  
You're in and you're out,  
(Oh You're up then you're down)  
You're up and you're down.

Heyy-yeaah-yeaahh
