

Molotov

"Let It Roll"

Visit "[Let It Roll](#)" on MotoLyrics.com

I'm about sick of all the shit that's flying
And I'm about sick of all the people that's lying
Cause' you know, cause' you know I ain't about to be
trying
To hear about the shit that you identify with

You hassle like a school girl in class
Running around shiffing behind everybody's ass
You try to predict like a motherfuckin' psychic
We do what we do, when we do it, cause' we like it

Now whose eyes you trying to pull the wool over
Yesterday I was drunk but now I'm sober
Take that to your programs mitch
You talk like a goddamn bitch

Let it roll, let it roll, let it roll
Let it go, gringo
Let it roll, let it roll, let it roll
Let it go, gringo

Ahora si se ve le dan programas a quien sea
El es el gato del carnal de las estrellas
Sales en la tele con rumores y tus quejas
Gacho, que tengas una vida tan pendeja

Quiero aprender a leer y a escribir
Pero no tengo libros de texto
Pero a los meetings yo voy muy feliz
Porque voy con mi torta, con mi refresco

Let it roll, let it roll, let it roll
Let it go, gringo
Let it roll, let it roll, let it roll
Let it go, gringo

Let it roll, let it roll, let it roll
Let it go, gringo
Let it roll, let it roll, let it roll
Let it go, gringo

Let it roll, let it roll, let it roll

Let it go, gringo
Let it roll, let it roll, let it roll
Let it go, gringo

Si del cielo caen limones aprende a hacer limonada
Si no tienes que hacer vente a hacer una mamada
Fijese que una mala lengua me dijo
Que Molotov se separa y Elvis sigue vivo

Timbiriche se reune ay! No te choca
Por besar tanto culo ya te apesta la boca

Let it roll, let it roll, let it roll
Let it go, gringo

Let it go, gringo
Let it go, gringo
Let it go, gringo
