Downtown
Where no angels are found
We got our own underground
Let me show you 'round
Welcome
Yea sinners and saints
Come see the king in restraints
And the queen with his crown
Pure cry
As me pass 'em on by
And look in their eyes
And see no signs of light
Hang em on high
On the streetlights tonight
There's no losing the fight
We tie our nooses tight...
You can dance with the devil
But you must wait your turn
He'll bring you to his level
So you can feel the burn...

Get down
Pass the bottle around
Pray to the lord you won't drown
And we can show you how
Sluts twist
Through the smoke and the mist
So get your hand off your dick
And I can show you how
Hell bent
None of us heaven sent
Around the fire we chant
So just walk on by
Hold tight
To your daughters tonight
Cuz you know I'll fuck 'em right
You know I damn well might

You can dance with the devil
But you must wait your turn
He'll bring you to his level

So you can feel the burn...
