Ah is a, ah is a, should I save her?

Ah is a, ah is a, should I save her?
I want to be saved

Ah is a, ah is a, should I save her?
I want to be saved
Ah is a, ah is a, should I save her?
I want to be saved

It's 1993 and niggas need to miss me be savin' these
hoes
You know how these tricks we be buyin' 'em clothes
Wanna taxi hoes on vogues with the beat
And have 'em sittin' next to 'em in the front seat

But not B see I'm a hog up out the V
And my motto is fuck a hoe and hit the throttle
To the smoke talkin' on my Okie doe
World wide I got a clydes up in Tokyo

Look up in the sky it's a bird it's a plane
What's that niggas name? Captain save a hoe main
More faster than a speeding bullet to put on his cape
and scared
I put the fake the fake the funk the funk
To me that's not the way to do it

Captain muthafuckin' save a hoe game to me
Flexin' just like a little ol' bitch all up in front of my
company
Had to check his ass with an ear check dump and
pumpin'
Talkin' to him while I'm beatin' his ass
Pumpin' fear talkin' 'bout nigga you gone retrospect
somethin' here

Ah is a, ah is a, should I save her?
I want to be saved
Ah is a, ah is a, should I save her?
I want to be saved

Ah is a, ah is a, should I save her?
I want to be saved
Ah is a, ah is a, should I save her?
I want to be saved

Mr. Super Trick, Mr. Super Snitch
Yeah, you wanna kill me 'cuz I fucked ya bitch
You should had your cape on tight that night
'Cuz a nigga like the Shot sho plugs 'em right

And now yo batch is straight callin' me lovin' me
On the under for the porno star that I be
And don't you come in my face with that trick shit
Ya betta try some more shit

I got the gift to grab any batch that I want but I don't
'Cuz batches now a days will get you caught up in some
funk
Oh no, I'm not tryin' to save you hoes 'n'
How come when I was broke you wasn't brown nosin'?

The other day you see me smobbin' down magazine
With some ol' nigga in your car lookin' at me mean
I stopped in the middle of the street reached under
seat to grab my heat
Man that's the same motherfucker
That I got into it with at the club last week

Man them niggas can't fade they birth made and so
they start
But niggas with no heart don't want no part to this
Nigga rollin' with the Funk Mobb
And when it's funk the pump will spit them double laws

So what you doin' when we roll through you hideout
Let my mack get off and then I rides out
With your ass there smokin' like an in cent
You savin' hoes nigga and that's bitch shit

Ah is a, ah is a, should I save her?
I want to be saved

I'm crossin' up niggas and bitches and even snitches
just for my riches
Captain save a hoe I ain't got no problem with that ol'
shit
I gives a damn as long as he's payin'
It ain't my fault because he's sprung off my land

I'm cashin' G A checks, go to the bank Hank

If your breath stank, you get ganked main
Long as a trick comes fallin' down
That gets me all upset to put on my suit and clown

But make that nigga take care your kids
Make that nigga call your kids his
Make that nigga get out there and work
Make his ass buy you a Brinn Burk

It's all part of that nigga take care of me
Pussy whipped nigga come save me
Batches out there be on the look out for captain save a
