E-40:

I grit my teeth to keep release, kkeep my fatih and hope
(hope)

Need to stop stressing before I have a stroke

Up in lower development housin' (housin'), talk and
turmoil (turmoil)

Food in our refrigerator never had a chance to spoil

You know why? (Why?) Wasn't rich wasn't poor (wasn't
poor)

You know why? (Do you know why?) cause it's the boss
player from next door

(from next door)

Sleepin' on the floor, hectic, (hectic), but that's
expected

B-Legit:

When I was young, I never could afford no Nikes, and
everybody else had

brand new bikes

I use to hike to school, in the rain with fools, 13 deep in
the ghetto

streets (in the ghetto streets)

Hook:

LeVitti:I've struggled and I've strived

Suga T:Struggled and I've strived

LeVitti:Been a hustler all my life

Suga T:Been a hustler all my life

Both:I ain't rich and I ain't poor, did more dirt than you
would know

LeVitti: I've struggled and I've strived, strived

D-Shot:

In 1984 was the year for the Shot to step through the
door (through the
door)

That's when my daddy walked away from my mama

(mama)
She tried to work it out but it wasn't no stoppin'
(stoppin')
Barely paying the rent, she had four mouths to feed,
hot water and corn
bread (corn bread)
Watching the stress while my momma straight handlin'
things (handlin'
things) ?

Suga-T:
Coming up wasn't easy for the no should I be (c'mon)
Living dad to day depended on the first of fifteen
I had 2 kids to raise from a teenage love
You couldn't tell me a thing because I knew what was
up

Hook

B-Legit:
I brought it down the block, crooked at 16 (16)
Bought my first 22 from a dope fiend (dope fiend)
I kept my nose clean, paper by all means
And only real niggas rolled on the team

E-40:
Ah, ah, a most of you ain't never had to pawn (had to)
A lot of you ai't had to stoned out (stoned out)
But there's something different on my behalf (behalf)
Do what I do to get the cash (get the cash)

D-Shot:
My daddy didn't give a shit, I had to struggle and strive
to make a
motherfuckin' grip
And every dollar and 15 cents, I gave to my mamma
cause we wasn't that rich

Suga-T:
Me the knot, give up the twat, hoes wasn't taking that
shit on my block
We had a lot of foes, when we first started out (spit it
girl)
Now there's players everywhere from the north to the
south (beeotch)
