Baby now I need you  
Here with me  
Because I'm trying  
To make you understand  
I want you  
Each move you make  
Make me realize  
You are the right one for me

Move it up  
Come baby move it up  
Move it up  
Come baby move its rhythm  
Move it up  
Come baby move it up  
Move it up  
Come baby move its rhythm

That's the way I feel  
That's the way I'm gonna be  
That's the way I feel  
That's the way I'm gonna be  
That's the way I feel  
That's the way I'm gonna be  
That's the way I feel  
That's the way I'm gonna be

Baby now we go  
To have some fun  
So keep on smiling  
I want to play this game  
Close to you  
And no one else  
Because I'm feeling  
It's the right moment  
For us
