I was twelve when Daddy said to me  
Don't take to drinking boy, that road don't lead to  
nowhere  
And don't you ever let me hear you swear...don't you  
dare  
He told me stealing is a lazy man's way  
Something for nothing leaves you hell to pay  
So don't lie...then you can look the whole wold in the  
eye  
(Honey I try)  
But since I met you girl, I'm breaking every rule  
I must confess I'm just a backsliding fool

I want to drink from your lovin' cup  
Swear I'll never give you up  
Steal all your kisses underneath the moon  
I wanna lie here close to you, look what you made me  
do  
Darlin' you're the reason why  
I drink, swear, steal and lie

Last night I threw away my twelve-step book  
I finally faced the fact that I am hooked on you  
There's nothing more that I can do (ain't no use)  
'Cause every time I see your angel face  
My halo disappears without a trace (I swear)  
Girl, I admit I haven't got a prayer (but I don't care)  
Well I know this ain't exactly how I was raised  
But heaven help me honey I ain't changing my ways

I want to drink from your lovin' cup  
Swear I'll never give you up  
Steal all your kisses underneath the moon  
I wanna lie here close to you, look what you made me  
do  
Darlin' you're the reason why  
I drink, swear, steal and lie

I want to drink from your lovin' cup  
Swear I'll never give you up  
Steal all your kisses underneath the moon  
I wanna lie here close to you, look what you made me

do  
Darlin' you're the reason why  
I drink, swear, steal and lie  
Drink, swear, steal and lie
