Mount Everest, I'll climb it
No problem, just say when
Mississippi, I'll swim it
Down to the delta and back again

(If you love somebody)
It ain't that hard
(If you love somebody)
To go that far
Well, there ain't no limit to the things you do
If you love somebody
The way that I do you

Get a ladder, a cheap guitar
And serenade you under the stars
Scream and shout, make a scene
Tell the whole world that your the girl of my dreams

(If you love somebody)
That's what you do
(If you love somebody)
And your love is true
You don't think twice about being a fool
If you love somebody
The way that I do you

Send me down the river with my soul on fire
The thought of you makes the weight of this
World seem a little bit lighter
If you love somebody
(If you love somebody)

Ooh, send me down the river with my soul on fire
The thought of you makes the weight of this
World seem a little bit lighter (little bit lighter)
Taking me higher, higher

(If you love somebody)
You do anything
(If you love somebody)
You jump up and sing
Well, there ain't no limit to the things you do

If you love somebody
The way that I do you

(If you love somebody)
That's what you do
(If you love somebody)
And your love is true
Well, there ain't no limit to the things you do
If you love somebody
The way that I do you
The way that I do you, girl
(If you love somebody)
