Made it through Monday, Tuesday, Wednesday
Made it through Friday night
Work week drove me out of my mind
Now it's outta sight
Got till Sunday, to do things our way
Here's how it's gonna be
I'll follow you out on that floor
If you'll follow me

We're gonna get lost in the shuffle
It's gonna be an all night, hold tight, feels right now
kinda scuffle
An invitation to dance on the double Forget about your
troubles baby
Let's get lost in the shuffle

Gonna take my chance with a little line dance
Baby put your hand in mine
Oh, let me sweep you off your feet
Leave your blues behind
Every time you swing me girl you know it brings me
Two steps closer to love
Oh you just tell me what to do, I'll show you how it's
done

We're gonna get lost in the shuffle
It's gonna be an all night, hold tight, feels right now
kinda scuffle
An invitation to dance on the double
Forget about your troubles baby
Let's get lost in the shuffle

Mama says baby loves shortnin' bread
Baby loves being with me instead
Mama wants baby back home in bed
Let's forget about what Mama said

We're gonna get lost in the shuffle
It's gonna be an all night, hold tight, feels right now
kinda scuffle
An invitation to dance on the double
Forget about your troubles baby

Let's get lost in the shuffle
Forget about your troubles baby
Let's get lost in the shuffle
