Throw away the book, forget about the rules, set aside
your doubts
They don't apply now
Everything you know, all that's gone before ain't what
we're about
It's here and right now
Compared to any other love, baby this is way more
Beyond the physical

This ain't your typical
Predictable
Here today and gone tomorrow fling
It's more of a magical
Mystical
Once in every lifetime thing
It may sound improbable
It ain't logical
But when love is this undeniable
It's everything and it's anything
But typical

Jealousy and pride, all that petty stuff, trips the others
up
With us there's no way
We can rise above, go against the gray we'll be strong
enough
To make our own way
The future that I'm seeing ain't a paint by numbers
picture
It's an original

This ain't your typical
Predictable
Here today and gone tomorrow fling
It's more of a magical
Mystical
Once in every lifetime thing
It may sound improbable
It ain't logical
But when love is this undeniable
It's everything and it's anything
But typical

It's everything and it's anything
But typical
Predictable
It ain't typical
It ain't typical
