(verse 1)

there is something i got to tell you i got to let you
know i really like you all i'm asking for is you to
listen what i got to say your comprehension.

(chorus)

my love is not a game you cannot dribble it
and play or toss it up high you cannot pass
it or throw it because my love is not a game.

(verse 2)

I like you i hope you like me to because anything
is so possible you know i can't wait until i see you
that is when it start because i love you

(chorus1x)

(verse 3)

now where together that won't ever stop i like you and
you
like me to i like you so much more than you ever know
because my love is real my love is a big deal.

_chorus 3x)

because my love is not a game
my love is not a game
love, is not, a game ooooooooo oh
