Loverboy

Love is blind, as far as I can see
Love is kind, the potion for you and me
Let's do right and undo wrong
Set our sights on where we belong

We're two hearts that beat as one
From the start I feel it come
You know why I want you to be mine
Don't be shy come on and taste my wine

You're my loverboy
You're my loverboy
You are my favorite toy
You are my love and joy
You sexy loverboy
Sweet sweet loverboy

Take me now it's right here
Just for you
Don't ask how you know
My love is true
Let's just go there and have
Some fun tonight
Steal the show 'cause I know
You do it right

Your pretty face, your body feels so good
Let's embrace, I feel in the mood
Let's be together, and feel allright
It doesn't matter, it's love at first sight

You're my loverboy
You're my loverboy
You are my favorite toy

You are my love and joy
You sexy loverboy
Sweet sweet loverboy

From the left to the right
You know he's gonna keep it right

He's gonna set your world alight
If you take 'm home tonight

Open up love's door
Know you're gonna get some more
Never let you down before
Baby you know the score

You're my loverboy
You are my love and joy
Sweet sweet loverboy

Well I don't mind if you keep it tight
Just treat me kind and you can stay all night
If you'd like to be my loverboy
Fill my cup with fun and joy
Let's drive away to magic places
See the smiles on happy faces
Do you really want to get it on with me
We can keep driving all night long,
Until it's time to sleep

You're my loverboy
You're my loverboy
You are my favorite toy
You are my love and joy
You sexy loverboy
Sweet sweet loverboy
