There are lots of things that I wouldn't do,
A lot of things that I couldn't do,
'Cause I've just got that lazy feeling,
But I'm never too tired for love!

There are days when I'm just a sleepy-head,
Days when I won't get out of bed,
'Cause I've just got that lazy feeling,
But I'm never too tired for love!

You don't need ambition,
To get the things that you're longing for,
A lovin' disposition,
Can get you that and a little bit more.

If you have something you want to do,
Be sure it's something I want to do,
'Cause I've just got that lazy feeling,
But I'm never too tired for love!

There are lots of things I wouldn't do,
A lot of things that I could'nt do,
'Cause I've just got that lazy feeling,
I'm never too tired for love!

There are days when I'm just a sleepy-head,
Days when I won't get out of bed,
'Cause I've just got that lazy feeling,
But I'm never too tired for love!

You don't need ambition,
To get the things that you're longing for,
A lovin' disposition,
Can get you that and a little bit more.

If you have something you want to do,
Be sure it's something I want to do,
'Cause I've just got that lazy feeling,
And I'm never too tired for love!
