Brand new number, folks, called Boogie Woogie!
It's a funny little song.

Now, when I tell you to hold it, I don't want you to move
a thing.
And when I tell you to get it, I want you to Boogie
Woogie!

Hold it!

oNw, Boogie Woogie!

When I tell you to hold it this time, I don't want you to
move a peg.
And when I tell you to get it, I want you to mess around!
Or something!

Stop now!

Now, mess around!

I want that gal with the red dress on, any kind of dress
will do, to come over here and stand by this piano.
Now, when I tell you to hold it, I don't want you to move
a muscle.
And when I tell you to get it, I want you to shake that
thing!
Or something!

Hold it!

Now, shake that thing!
