Lock the windows and close the door,  
Start the party up once more!  
Hey, hey, let's get gay,  
'Cause the stuff is here!

Everybody grab a glass,  
'Cause the good stuff's about to pass,  
Hey, hey, let's get gay,  
'Cause the stuff is here!

Piano man falls upon his stool,  
Plays that piano like he's nobody's fool!

Everybody grab that glass,  
'Cause the good stuff's about to pass,  
Hey, hey, let's get gay,  
'Cause the stuff is here!

Lock the windows and close the door,  
Start the party up once more!  
Hey, hey, let's get gay,
