When?
Will you name the day,
Tell me when?

When?
Maybe not today,
But when?

Right in your lovely hands
You're holding my fate.
How long must I wait,
Won't you tell,
Won't you tell me?

When?
Will you say the words divine?
When will I hear those church bells chime?
Will it be tomorrow?
Will it be today?
Tell me when
Will you be mine?

When?
Will I hear those church bells chime?
When will you say the words divine?
Will it be tomorrow?
Will it be today?
Tell me when, baby,
When will you be mine?
