Spring fever gets someone every day,
Spring fever chases the blues away,
Spring's got me, it's spring, 'tis true,
But spring's not the reason, the reason is you!

You're my fever, you're my spring,
You're the reason my heart sings,
You're my life, my everything,
You're my fever!

You're my fever in every way,
When I'm near and when I'm away,
On my mind each night and day,
You're my fever!

Sweeter than all lovers, don't you see,
I can't do without you,
Please discover what you mean to me,
Let me see if I can be your fever, too!

You're my fever dream of love,
I'm a-grievin' for your love,
You could bring me peace of mind,
Make the blues so hard to find,
If you'd say that you'd be mine,
You're my fever!

You're my fever, you're my spring,
You're the reason my heart sings,
You're my life, my everything,
You're my fever!

You're my fever in every way,
When I'm near and when I'm away,
On my mind each night and day,
You're my fever!

Sweeter than all lovers, don't you see,
I can't do without you,
Please won't you discover what you mean to me,
Let me see if I can be your fever, too!

You're my fever dream of love,
I'm a-grievin' for your love,
You could bring me peace of mind,
Make the blues so hard to find,
If you'd say that you'd be mine,
You're my fever!
