All I want is a lullaby
Oh Baby bring i tto me now
All I want is a lullaby
Oh Baby
Oh Baby

Close the door behind you
Come right in
Come closer
Closer
Can't you feel the passion inside
Dim the lights
And take another step to me

CHORUS
City lights are movin' lights
All I want is a lullaby
City lights are movin' lights
All I wanna be is by your side
City lights are movin' lights
All I want is a lullaby
City lights

I can feel your needs
You're the one for me
I wanna get closer
Closer
I can feel your passion inside
I wanna take a step to you
And give you all the love you need

Repeat: CHORUS

When the nights get longer
I wanna get with you
And only you
You oughta know by now
What you do to me
I'm touchin' you so sweet
Really puts me in the mood

Repeat: CHORUS

When the door's behind you
Take me in
Come closer
I need you closer
Then you'll feel my heartbeat inside
You just need to give me all
The love that I need

Repeat: CHORUS
