I said see, see, see rider
Oh, see what you have done
I said see, see, see rider
Oh, see what you have done
Oh girl, you made me love you
Now, now, now your lovin' man has gone

hear what I say

Well, I'm going going away, baby
And I won't be back to fall
Well, I'm going going going away baby
And I won't be back to fall
And if I find me a good girl
I won't, I won't I won't be back at all

Hear what I say,
I said see see see rider,
Oh see what you have done
Yeah, yeah, yeah
Isaid see, see see rider
Oh see, what you have done
girl you made me love you
And now 'n now 'n now
Your loving man has gone
hear what I say

I said see , see see rider
I said see , see see rider
I said see, see see rider
I said see, see see rider
I said see, see see rider
I said see, see see rider
I said see.
