Swing Little Girl,
Swing, high, to the sky,
And don't ever look at the ground,

If you're looking for rainbows,
Look up, to the sky,

You'll never find Rainbows,
If you're looking down,

Life maybe be dreary,
But never the same,

Some day(s), it's sunshine
Some day(s), it's rain,

Swing Little Girl,
Swing high, to the sky,
And don't ever look to the ground,

If you're looking for rainbows,
Look up to the sky,
But never, no never, look down...
