I have an animal, he sure could help you
My eagle's too busy doing other things
He scans (?) the ground for me
Checks for enemies
My eagle's too busy looking out for me
My eagle's too busy looking out for me

Too busy looking out for me

He flies overhead
He flies overhead
(repeat)

I only can depend imaginary friends
My eagle's too busy doing other things
I really wish I could lend him out to you
My eagle's too busy looking out for me
My eagle's too busy looking out for me
Too busy looking out for me

He flies overhead
He flies anekatips overhead
(repeat)

guitar solo

I have an animal he sure could help you
My eagle's too busy doing other things
He scans the ground for me checks for enemies
My eagle's too busy looking out for me

He flies overhead
He flies overhead
(repeat)
