Take me to the mountain top

Sometimes I wanna fly like a bird without purpose  
Sometimes I wanna feel like a baby without control  
Sometimes I wanna be just going with the motion  
Sometimes I wanna be just going with the flow

Chichamba Chichambe  
I want you to take control  
Chichamba Chichambe  
Take me to the mountain top  
Chichamba Chichambe  
From there I will see the valley  
Chichamba Chichambe  
Take me to the road to peace

Sometimes I wanna fly, fly fly away now  
Sometimes I wanna feel like a baby without control  
Sometimes I wanna fly with the wind of freedom  
Sometimes I wanna be taken to the land of the free

Chichamba Chichambe  
I want you to take control  
Chichamba Chichambe  
Take me to the mountain top  
Chichamba Chichambe  
From there I will see the valley  
Chichamba Chichambe  
Take me to the road to peace

Tell me you need me now  
Tell me you care about me  
Tell me you will miss me  
Tell me I belong to you  
Tell me you will call for me  
Will hold me  
Will send some  
Tell me it is so nice  
Tell me it is all right  
Tell me it is all good  
Tell me you will be with me  
Tell me you will call for me

Taken by the wind of freedom  
Taken by the land of the free  
Taken by the land of freedom  
Taken to the land of the free  
Taken by the wind of freedom  
Taken by the land of the free  
Taken by the land of freedom  
Taken to the land of the free

Chichamba Chichambe  
I want you to take control  
Chichamba Chichambe  
Take me to the mountain top  
Chichamba Chichambe  
From there I will see the valley  
Chichamba Chichambe  
Take me to the road to peace
