Dance With Me

As I sit here thinking about us  
We used to be like Romeo and Juliet  
I remember when we went out  
We danced along all night long

You take me take me now  
You shake me shake me now  
You dance with me all night long  
Once again  
You take me take me now  
You shake me shake me now  
You dance with me all night long

I remember as if it were today  
You smiled in my dream all night long  
You talked to me tenderly as I slept  
You caressed me all night long

You take me take me now  
You shake me shake me now  
You dance with me all night long  
Once again  
You take me take me now  
You shake me shake me now  
You dance with me all night long

When we danced people said 'thank you'  
It was a dance to remember  
Can you come back oh my Darling  
Can you hear my cry all night long  
Hold my hand, walk with me now,  
The way we used to walk along

You take me take me now  
You shake me shake me now  
You dance with me all night long  
Once again  
You take me take me now  
You shake me shake me now  
You dance with me all night long

Hold my hand, walk with me now  
The way we used to walk along  
Change your mind, keep your soul now  
Love me again all night long

You take me take me now  
You shake me shake me now  
You dance with me all night long  
Once again  
You take me take me now  
You shake me shake me now  
You dance with me all night long
