Hurricane

By Clement Albert Mutombo Kankonde

Protect me from the hurricane
This ugly storm of a hurricane
Indiscriminately destructive
Evil force of a hurricane
Tropical cyclone of hurricane
This outburst of a hurricane
Leading to mayhem
Let me run from the hurricane
Evil force of a hurricane
Makes me realize
That nature can shake, shake, shake,
shake me to the core now
This uproar of a hurricane
Takes everything in its path
Leading to mayhem
Humbling force of a hurricane
Overwhelming force of a hurricane
Taking good and bad now
Indiscriminately destructive
Enormous wind of a hurricane
Humongous force of a hurricane
Breaking any resistance
Vicious force of a hurricane
This ugly force of a hurricane
This ugly force of a hurricane
Yes your love is like a hurricane
Your love is like a hurricane
I cannot fight the hurricane
So take me far away
Yeah just be my hurricane
Oh nananana...hurricane
Oh nananana...hurricane
Vicious force of a hurricane
Humongous wind of a hurricane
Tropical cyclone of hurricane
Violent outburst of a hurricane
Angry storm of a hurricane
Oh lalalalala hurricane, hey

Oh lalalalala hurricane
Vicious force of a hurricane
Vicious, vicious, vicious, vicious force, force
Can shake, shake me, shake me now
Can shake me now, can shake me
Your love is like a hurricane
Your love is like dozens hurricanes
Your love is like dozen hurricanes
Your love is like dozens hurricanes
Hurricane today, tomorrow
Today tomorrow, hurricane today
No, no, no, no, no
Your love is like a hurricane
Vicious force of a hurricane
Humongous wind of hurricane
Tropical cyclone of a hurricane
Violent outburst of a hurricane
Angry storm of a hurricane
Your love is like a hurricane
I cannot fight a hurricane
So take me far away now
Yes, just be my hurricane now
Vicious force, vicious force
Can shake me, shake me,
shake me now to the core
Your love is like a hurricane
Your love is like a dozens hurricane
Hurricane today, hurricane tomorrow
Hurricane today, hurricane tomorrow
Hurricane Â...
Your love is like dozens, dozens, dozens hurricanes
Your love is Â...
Hurricane todayÂ...
